

AB 1276

Foodware Accessories & Condiments Upon Request

What you need to know

Food facility Requirements

- Provide single-use foodware accessories to customers **only upon request**
- **Discontinue bundling** of foodware accessories
- Customize third-party platforms with list of foodware accessories & condiments
 - Provide only items chosen by customer

- All utensils (forks, knives, spoons)
- Chopsticks
- Straws, stirrers & splash sticks
- Condiment cups & packets

What is a single-use foodware accessory?

Community Impact

- Prevent unnecessary waste
- Save restaurant costs
- Prevent pollution in waterways and streets

- All foodware accessories & to-go containers must be certified compostable
- Customers are allowed to bring their own reusable containers
 - Sanitation measures must be followed for receiving and refilling reusable containers
